- Nuovo processo produttivo
- Incisione Laser System
- Evita pericolose perdite di vernice
- Permette una millimettratura indeleibile sullo strumento
- Incisioni a basso spessore, antiriflesso
- Non indebolisce la punta, evitando possibili rotture
- New marking process
- Laser system marking
- No more paint peeling off
- Permanent marking
- Antiglare, low depth marking
- Maximum tip resistance against breaking
